

## **CLINICAL SERVICES COORDINATOR – EMERGENCY DEPARTMENT**

- **Lyell McEwin Hospital, Adelaide Metro South Australia**
- **Indicative Total Remuneration: \$93,236 - \$97,708 – Perm F/T – RN3**

Working under contemporary leadership you will contribute to the coordination of patient care delivery in an Emergency Department setting. This role has a strong focus on line management and the leadership of the nursing team with a focus on achieving optimal standards of care. Ensuring the continuous evaluation of service delivery practices, you will respond to operational requirements through the development and implementation of improved local processes. Promoting a cooperative work culture, you will build productive working relationships across all levels of the health care team and with external organisations. Taking a coaching approach, you will facilitate professional development opportunities for staff and establish an environment of learning that develops their full potential. You will also contribute to change management strategies.

Registered with the Nursing and Midwifery Board of South Australia and holding a current practising certificate, you will have extensive post-registration clinical experience in emergency nursing practice. You will demonstrate sound supervisory abilities and effective management skills. Solution-focused and possessing good professional judgement skills, you will be an innovative decision maker within the clinical environment. With advanced communication abilities, you will function cooperatively as part of a multidisciplinary team. You will be able to work autonomously to prioritise challenging workloads, and will be committed to the delivery of client centred care. Lyell McEwin Hospital in a teaching hospital of the Universities of Adelaide and South Australia and offers exciting opportunities for further education. *Job Ref: 4477.*
